

St. Michael the Archangel, also known as Saint Michael the Archangel or simply Archangel Michael, holds a significant place in the Roman Catholic tradition. He is an Archangel, associated with courage, protection, and divine intervention.

Biblical and Historical Roots

St. Michael's presence can be traced back to early Jewish writings, particularly in texts from the 3rd and 2nd centuries BC. In these ancient texts, he is depicted as the chief among angels and archangels, responsible for guarding and caring for Israel.

Guardian Prince of Israel

In Jewish tradition, St. Michael is often referred to as the guardian prince of Israel, a protector who stands ready to defend God's chosen people. He appears in the Book of Enoch as one of the seven archangels, alongside Uriel, Raguel, Raphael, Sariel, Gabriel, and Remiel. These archangels are described as standing before the glory of the Lord.

Defender of the Faith

St. Michael's role as a defender of faith and a warrior against evil is most vividly portrayed in the New Testament, particularly in the Book of Revelation (Revelation 12:7-12). Here, he engages in a cosmic battle against Satan, casting the adversary out of heaven and preventing him from accusing humanity before God. St. Michael's triumphant role in this battle marks a significant shift from the Old Testament to the New Testament.

God wished to manifest and communicate both himself and the eternal decrees of his will concerning the salvation of humankind. DOGMATIC CONSTITUTION ON DIVINE REVELATION, 6 Revelation and Faith [50-64] In revealing, God has not only communicated information; he has communicated himself to you. Your personal response to God's communication of himself and his will is called faith.
