

All Saints Day

This feast of All Saints was instituted by Pope Gregory-III \ (731\ - 741\), when a Chapel was consecrated to all martyrs in the St. Peter's Basilica in Rome originally this feast was celebrated only within Rome. But Pope Gregory-

IV extended this celebration to the entire church. This feast was first celebrated in the early fourth century in Antioch during Easter seasons, as mentioned by Saint Ephraim the Syrian. This is a very important festival of All Saints known and unknown. As we all know that martyrs were increased during the Roman persecutions against Christians, there are so many martyrs unknown to Christians, who were martyred for the cause of Christianity. Since there was no formal papal canonization of Saints before 993, this feast enables us to pray with the earlier Christian martyrs for their intercession in our causes. The vigil or eve of the feast of All Saints is known as All Hallows Eve or Halloween the word the hallow as a noun means Saint and the word hallow as a verb means to make something holy or to honor something holy. Both the feast All Saints Day and Halloween are celebrated from the 8th century onwards.

For the month of November,

we will have an Altar setup for anyone to place a picture of their departed Loved ones. Please bring pictures of your deceased loved ones to place on the Altar of Remembrance. They will be remembered with prayers and Masses. Please have name and phone number on the back of your pictures. We need this to be able to return them to the rightful owners.
