

“For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.” (John 3:16)

While Jesus lived on earth, he healed the sick, performed miracles, and taught everyone he met about the dangers of sin. Jesus had close friends called disciples who loved Him and believed He was the son of God. But others hated him for telling the truth. They liked doing bad things and didn't want to hear what Jesus had to say. They wished He would go away and leave them alone.

Little did they know, Jesus *would* go away. For God's rescue plan to work, Jesus had to die to take the punishment for all our sins. But the good news is Jesus didn't stay dead! God raised Jesus back to life so that every single person who repents of their sins and believes in Him no longer has to be separated from God. When we accept Jesus as our Lord and Savior, He comes to live inside our hearts and makes us a brand new person so that we can be near him forever. Nothing can ever separate us from God's love again when we put our trust in Jesus. That's why we celebrate Easter!
